

## Gabriolans can assist!

### Types of giving:

- an “In memoriam” gift
- a tribute gift
- Corporate giving
- Planned giving

### Planned giving:

- Gain valuable income tax credits now, or on your final estate income tax return
- Establish a memorial fund in the name of a loved one
- Provide a significant legacy with a small current contribution
- Leave something truly meaningful for people to remember you by

### Lifetime gifts:

- Immediate gift
- Monthly giving
- Gift-in-kind
- Donation of securities
- Gift of life insurance
- Charitable remainder trusts
- Charitable gift annuities
- Endowment fund

### Bequests:

- A specific amount
- A residuary gift
- A contingent gift
- Subject to a trust, allowing a donor to provide a lifetime of income to a named beneficiary
- RRSP's and RRIF's

Further information on these topics can be found on the GHCS WEB site at [www.ghcs.ca](http://www.ghcs.ca).

and to the many individual and anonymous donors,

## Thank You!

## Volunteer

Both the Gabriola Health Care Society and the Gabriola Health Care Foundation welcome volunteers.

### Specific areas:

- **Fund raising** – Identifying and accessing funding for services needed on Gabriola
- **Building** – Those with construction skills interested in assisting in the building of the ETR community clinic
- **Professional advisers**
- **Communications and Community Engagement** – Those interested and skilled in communicating the primary health care activities on Gabriola, including the establishment of a permanent ETR community clinic, and those interested and skilled in engaging the community in decision making regarding primary health care on Gabriola.
- **Recruitment and Retention of Primary Health Care Family Practitioners** – Those interested in assisting in recruitment efforts and retention of current practitioners
- **Data and Services** – Those interested in effective planning through accurate data, research into services, alternative compensation systems, etc.
