Dear Mr. Graham

RE: PROPOSED EMERGENCY HEALTH CARE FACILITY

We have received your letter of September 23, 2010 wherein you describe the plans of the Gabriola Health Care Foundation to construct an Emergency Health Care Facility and related medical offices on a parcel of land within our area.

We have viewed the proposal on your website and feel that this is a very worthwhile project.

We are pleased to offer our support for this upgrade to the present medical facilities.

Yours truly
